

Child Vehicular Frontover Fatalities (1990-2022)

Involving U.S. Children Age 14 and Under

This data VASTLY underestimates the true magnitude of this public health and safety issue.

Please note, this should be considered an undercount of the actual number of child frontover fatalities due to no official state data collection system for these and other nontraffic incidents.

Child Vehicular Frontover Fatalities (1990-2022)
